Applicant's amendment filed on 01 February 2005 has been fully considered. Claims 1, 4, 16-17, and 22-25 are therefore allowed with the additional limitations included. Claims 10 and 11 have been allowed in the previous Office action, mailed 15 April 2004, paper number 042004.

Examiner's Statement Of Reasons For Allowance

The following is an examiner's statement of reasons for allowance:

Claims 1, 4, and 22-25 are allowed. Previously objected to claim 3 has been rewritten in independent form as newly presented claim 1 to include all of the limitations of the base claim and any intervening claims and is now in conditions for allowance. Claims 4 and 22-25 are dependant on amended claim 1 and are therefore also allowable.

Claim 10 and 11 are allowed for the reasons indicted in the previous Office action, mailed 15 April 2004, paper number 042004.

Claim 16 is allowed. Previously objected to claim 16 has been rewritten in independent form to include all of the limitations of the base claim and any intervening claims and is now in conditions for allowance.

Claim 17 is allowed. Previously objected to claim 17 has been rewritten in independent form to include all of the limitations of the base claim and any intervening claims and is now in conditions for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
